SPECIAL USE PERMIT AND SITE PLAN REVIEW INFORMATION

SPECIAL USE PERMIT

The Town of Barre Zoning Regulations uses Special Use Permits to control the impact of certain uses upon areas where they will be incompatible unless conditioned in a manner suitable to a particular location. Special Use Permits bring needed flexibility and individuality to the otherwise rigid controls of zoning regulations.

A "Special Use" is a use which is specifically permitted in a given District only when conditioning criteria enumerated in the Town of Barre Zoning Regulations are met. All such uses are declared to possess characteristics of such unique and special forms that each specific use shall be considered as an individual case.

- In approving an application, the Planning Board may impose any modifications or conditions it deems necessary to conform to the goals and objectives of the Town of Barre's Comprehensive Plan and its principles of land use and development, and to protect the health, safety or general welfare of the public.
- A Special Use Permit shall authorize only one particular special use. The Permit shall expire if the use shall cease for more than one (1) year for any reason.
- The Code Enforcement Officer shall inspect the premises of a use authorized and approved with a Special Use Permit on an annual basis. The purpose of the inspection is to determine that the use is being operated consistent with the terms and conditions established by the Planning Board in approving the Permit.

SITE PLAN REVIEW

Applications for a building permit for any structure, building or use shall be referred to the Planning Board for Site Plan review with the following exceptions:

- One or two-family dwellings
- Permitted accessory uses for one or two-family dwellings
- Any addition to a single family dwelling
- Any addition to a general farming use

The intent of Site Plan Review is to set forth additional general standards applying to certain uses and activities, the nature of which require special consideration of their impacts upon surrounding properties, the environment, community character and the ability of the Town of Barre to accommodate development consistent with the objectives of our Zoning Regulations.

Optional Public Hearing

The Planning Board may conduct a Public Hearing of the Site Plan if considered desirable by a majority of the members.

Expiration of Site Plan Approval

Site Plan approval shall automatically terminate one (1) year after the same is granted unless significant work has been done on the project.
