Supervisor Pogue called the public hearing to order at 6:15pm.

Supervisor Pogue stated the reason for the meeting, to consider a moratorium on the construction and installation of commercial battery storage units. He read the Legal Notice that had been published in the Batavia Daily News.

Supervisor Pogue stated that there is no input from the Orleans County Planning Board due to their last scheduled meeting being cancelled. The Town of Barre will get their suggestions at a later date.

Supervisor Pogue stated that the Town of Ridgeway is also working on this process. The Town of York passed a one year moratorium on this recently.

The Town Board and those present discussed the topic.

Supervisor Pogue called the Public Hearing closed at 6:35pm.

Public Hearing was closed at 6:35pm.

Respectfully submitted,

Maureen Beach
